TO WHOMSOEVER IT MAY CONCERN

We have been a very regular customer to M/S Tech Weld Traders, Chennai. We have purchased quite a few booster pumps for our factory use and for our executive residences from them. These pumps were performing excellently without problems. Their performance, related to the required pressure is quite good.

More over, the service rendered by M/S Tech Pumps is very good as they give immediate and priority attention to our service requirements.

We wish them all the best.
